

TaskKin Care

App Review Sample - Family Coordination Schedule

FICTIONAL TEST DATA ONLY. This file contains no diagnosis, medication, insurance, emergency, or other protected health information. It is provided only to demonstrate document selection, on-device OCR, and manual confirmation.

Upcoming coordination items

Date and time	Coordination item	Owner	Duration
August 18, 2026 - 10:00 AM	Grocery pickup	Avery Chen	30 min
August 19, 2026 - 2:30 PM	Family check-in call	Morgan Lee	20 min
August 20, 2026 - 9:00 AM	Transportation confirmation	Jordan Rivera	15 min

Suggested follow-up

Follow up with Jordan Rivera to confirm transportation by August 19, 2026 at 6:00 PM. Estimated effort: 15 minutes. Priority: normal.

Expected review flow

In TaskKin Care, open Docs, acknowledge the non-PHI safety notice, choose Upload document, select this PDF, review the locally extracted suggestion and confidence, then tap Confirm and create task. No extracted field becomes a task without explicit confirmation.

TaskKin Care is a family coordination tool. It does not provide diagnosis, treatment, prescription, billing, or emergency guidance.
